Principal Notes

Greetings, Carver Families!

I am looking forward to a wonderful start of the 2017 – 2018 Academic School Year! Carver, is yet again, a “Met Standard” campus, and we are excited to continue this tradition.

Our goal is to continue to provide quality instruction and to build partnerships with the community and families. Be on the lookout for our monthly newsletters with upcoming events.

Your principal,

Ms. Frances P. Moore

NOTICE

Arrival and Dismissal Procedures have changed. Please check your mail for the new procedures or view them on our campus website at
