# OPENING DOORS TO THE **FUTURE**

## **Arts and Humanities Endorsement** *Theatre Tech Pathway*

### **THEATRE ARTS 1: Understanding Theatre**

TSDS PEIMS Code: 03250100

Grade Placement: 9-12

Credit: 1

GHS Section 3041

Designated for Pathway Students

Prerequisite: None

This class gives students an introduction to the world of acting and the theatre itself from its creation to modern day. All lectures and discussions are designed to explore artistic, theoretical, and emotional dimensions of the theatrical experience. Students are required to take basic notes, read from plays and participate in acting exercises with partners and in a group setting. In addition, students must attend two GHS performances to observe and critique live theatre

### **TECHNICAL THEATRE 1: Backstage to Onstage**

TSDS PEIMS Code: 03250500

Grade Placement: 9-12

Credit: 1

GHS Section 3037

Designated for Pathway Students

Prerequisite: Theatre Arts 1

The classroom portion of this class teaches the fundamentals of technical theater, including set design, lighting, props, costumes, makeup, and sound. The hands-on section requires them to participate in all productions throughout each semester. The technician should be prepared to spend time outside of class in preparation for any upcoming productions.

### **TECHNICAL THEATRE 2: Backstage to Onstage**

TSDS PEIMS Code: 03250600

Grade Placement: 11-12

Credit: 1

GHS Section 3038

Designated for Pathway Students

Prerequisite: Technical Theatre I

The classroom portion of this class teaches the fundamentals of technical theatre, including set design, lighting, props, costumes, makeup, and sound. The hands-on section requires them to participate in all productions throughout each semester. The technician should be prepared to spend time outside of class in preparation for any upcoming productions. Because of safety concerns, admission to this class is by instructor approval only and is limited.

### **TECHNICAL THEATRE 3**

TSDS PEIMS Code: 03251100

Grade Placement: 11-12

Credit: 1

GHS Section 3039

Designated for Pathway Students

Prerequisite: Technical Theatre 2

The classroom portion of this class teaches the fundamentals of technical theatre, including set design, lighting, props, costumes, makeup, and sound. The hands-on section requires them to participate in all productions throughout each semester. The technician should be prepared to spend time outside of class in preparation for any upcoming productions. Because of safety concerns, admission to this class is by instructor approval only and is limited.
