#### When the Absence Management System Calls You

If an available job has not been filled by another substitute two days before the absence is scheduled to start, the system will automatically begin to call substitutes and try to fill the job.

Keep in mind, when the system calls you, it will call about one job at a time, even if you're eligible for other jobs. You can always call in (see "When You Call into Absence Management" section above) to hear a list of all available jobs.

Note: When the system calls, be sure to say a loud and clear "Hello" after answering the call. This will ensure that the system knows you picked up the call.

When you receive a call, you can:

- Listen to available jobs Press 1
- Prevent Absence Management from calling again today Press 2
- Prevent Absence Management from ever calling again Press 9

If you are interested in the available job, **Press 1**. You will be asked to enter your PIN number (followed by the # sign). The Absence Management system will list the job details, and you will have the opportunity to accept or reject the job.
