Confiscated items may be claimed by the parent before June 15 annually. Unclaimed articles will be discarded. The district is not responsible for missing items.

The campus principal is the final authority on student dress and ultimately determines whether a student's grooming or clothing violates the District's dress code. The principal must do so in a fair and consistent manner for all students. In cases that a violation occurs, the student will be given an opportunity to correct the problem at school. If not corrected, the student may be assigned to in-school suspension for the remainder of the day, until the problem is corrected, or until a parent or designee brings an acceptable change of clothing to the school. Repeated offenses may result in more serious disciplinary action in accordance with the GISD Student Code of Conduct.
