**Attach this page firmly to the required documents. Do not use your name or your parents' names on any remaining pages of your application. This cover page will be removed and coded by a non-committee member before your application is reviewed.**

**Applications will be disqualified if instructions are not followed completely. Deadline : April 15, 2016.**

**Applicant will submit to the committee:**

**Two one-page letters of recommendation - One from a faculty member and one from a non-faculty or non-family member,**

**\*\*\* Official transcript**

**\*\*\* Statement of class rank**

**Essay**

**\*\*\* Identifying names will be removed or obscured from documents before review.**

## **INSTRUCTIONS FOR SUBMITTING LETTERS OF RECOMMENDATION**

---

**Please attach a cover page to identify the person you are recommending. This will be removed and coded, along with your letter, before the letter is reviewed by the scholarship committee.**

**Do not identify the applicant by name in your letter. Although this may seem awkward, it will help to ensure that the committee's selection is completely objective and is based solely on the applicant.**

**Include how you are acquainted with the applicant and how long you have known her.**

**Seal your letter, with cover page, and deliver to applicant to be submitted with remaining application documents.**

**All letters must be received no later than April 15, 2016**

## **ESSAY**

**Using two pages or less, describe your goals, values, school and community involvements, employment history, achievements, etc. Include other scholarships applied for and state the number of dependent children in your family.**

**Please type or print in ink.**
