SHOUT OUTS

GHS SPED TEAM ROCKS CKH!

This incredible CKH social contract was created by the students in the GHS LifeSkills Classroom. Each student, even those that are not verbal or highly verbal, were a part of sharing their ideas and acting out the characteristics they value. Then, each student proudly signed his/her name to their new poster. This is a wonderful example of what CKH is all about. It is reaching out to and including every child in their classroom culture and experience.

WAIT, THERE'S MORE!

It is not just the social contract that will catch your attention when you visit the GHS LifeSkills classroom. The atmosphere will grab your heart and remind you why caring educators are so important in our students' lives.

If you want to witness what educating through the lens of love looks like, take a moment to visit this classroom. LifeSkills at GHS is an amazing place for students to learn and receive the best of Capturing Kids' Hearts. Every day, seventeen students in this classroom experience restorative practices and teachers that see beyond students' special needs to their unique abilities and talents. It is an environment filled with laughter, smiles, fun, and caring. Students are welcomed and accepted fully. Difficult days are met with grace and forgiveness, and each new day is opportunity for students to start fresh. Relationships are flourishing because of these practices. This classroom truly has a feeling of joy when you step in it!

Justin Day, Shannon Degarso, Coach Lamb, and Keisha Shaw (pictured below) capture their students' hearts every day by embodying an environment of respect, dignity, love, and learning for ALL! Thank you for being who you are and loving your kids with all of yourselves!

PD & POPCORN

We are excited to announce a new PD opportunity. Starting in November, the first Tuesday evening of every month will be dedicated to edifying and creative learning at our monthly PD & Popcorn events.

PD & Popcorn will be from 6:00 - 8:00 in the PD Portable at WMAB. Snacks (not just popcorn) will be provided, and door prizes will be given out each month. The goal of these sessions is to create an opportunity for like-minded educators to come together and lift each other up and learn from each other. Each month's session will be focused at a specific theme and encouraging ideas. Come casual, enjoy the environment and your colleagues. It will be a time to recharge and be creative.

November PD & Popcorn - Remembering Our Why

When: 6:00 - 8:00 (Come even if you can't stay the whole time)
