

## CONTINUING ED. CONNECTION

*"Educational success should be measured by how strong your desire is to keep learning." - Alfie Kohn*

### Don't Forget!

- Compliance courses are due September 28th
- Exchange day hours are due by October 19th
- New courses are available for registration in Eduphoria

## Surveys!

Please remember to complete the course surveys in Eduphoria. They help us provide you with better service, and the surveys ensure you receive credit. Once all surveys are finished for the course, the course will be marked as complete. If surveys sit for a long period time, the class will be closed regardless, and those who did not take the survey could miss out on earning credit hours.

### Upcoming Classes:

- 9/20 – Creating Solutions: Learning to facilitate the right discussions for problem solving
- 9/20 – Classroom Management Solutions 101
- 9/25 – Motivating the Unmotivated Student
- 9/27 – Google Forms
- 9/27 – Skyward Training - Student
- 10/2 – Google Slides
- 10/4 – Google Classroom
- 10/4 – Motivating the Unmotivated Student
- 10/9 - Interactive Boards and Document Cameras
- 10/11 – Capturing Kids' Hearts Refresher
- 10/11 – Google Docs

**These classes count toward exchange day credits! Register in Eduphoria.**

### September Fact:

**Interest areas in the classroom promote autonomy and choice making. Children have four major needs while in their learning environment: the ability to move around the space, the ability to engage all five senses, the need to feel a sense of confidence, safety, and success, and a level of independence and control. One way to accomplish this is through student interest areas.**

### Have Ideas?

Learning is always better when it involves collaboration. Therefore, we would love to hear your workshop ideas! If you have a great idea for a course, or if you would like to teach a class over something fabulous that is happening in your room, let us know. Email the Continuing Education Department to share your ideas.
