- 5/24/2019 Staff Development Day
- 5/27/2019 Memorial Day

## Principal's Note

Greetings Lamar Families,

May is already here, can you believe it? This month we will have our second round of testing. Third and fourth graders will be taking reading and math. While our fifth grade students take their second round of reading and math if needed as well as science. After testing we will finish the year with a day of fun, Field Day, and award ceremonies.

As our academic year is drawing to a close I would like to take this time to thank you. Thank you for choosing Lamar Elementary and your support throughout this school year. A special thanks to our PTA who go above and beyond the call of duty and provide whatever is necessary for our students and staff. Until next school year, here's wishing you love, laughter and learning.

Your principal,

*Ms. Lucretia Newton*
