

Second Grade Math

Recommended time: 30 min. daily

Students are currently working on learning about Fractions.

Below is a list of things that you can do at home with your child.

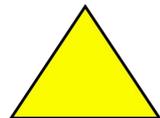

Videos:

[Writing Fractions](#) - This Khan Academy video is an introduction explaining how to write fractions using fractional parts of a set and whole.

Websites:

§ [Picture Fraction Game](#) - This game has your child match the fraction to the picture. Note” The game goes beyond halves, fourths, and eighths.

§ [Fraction Splat](#) - This game has your child identify fractions that have equal and unequal parts.

Second Grade Reading

Recommended time: 30 min. daily

Students are currently working on story structure - naming a story's conflict, events, and resolution. Below is a list of things you can do at home with your child.

Reading (15 min.):

- Use Rally Round Reading to read or listen to a fiction story, or select any fiction book you have at home.

<https://www.footsteps2brilliance.com/>

- What problem does a character in the story have? Share your thinking with someone or draw a picture of the story's problem.
- What do the characters look like? Describe what the characters look like and what they think, feel, say, and do. Share your thinking with someone or draw a picture showing all the details that describe the characters.
- What are some of the things the characters do to try to solve the problem? Share your thinking with someone or write your thoughts on paper.
- How does the character solve the problem? Explain how the problem was solved to someone or write your thoughts about how the problem was solved.
- What was the author's purpose for writing the story? Tell someone.
- What are some important ideas in the book? What do the ideas mean to me? Discuss with someone.

§ Read to or with your child for 15-20 minutes a day simply for pleasure. Engage in a conversation about what you read and why you liked it.

Second Grade Writing

Writing (10 min.):

- Write a non-rhyming poem about nature.
- Write a note to your teacher.
- Make a list of things you like to do.
- Write a fiction story with a conflict, events, and a resolution.
- Write or talk about a problem and a solution in your own life.
