

Greenville ECHS

Collegiate Lions Monthly!

January 2022

Lead. Achieve. Succeed. Empower!

Chancellor Address: Better than Ever!

First, I would like to thank all of you who reached out to me while my family and I were going through our COVID spell. It was nice to hear that you were praying for me and willing to assist in any way possible. I want to thank my staff for filling in the gaps while I was out for two weeks. We have amazing teachers who love this school and love our students. I am happy to announce that my family is now COVID-19 free and all is well. Clearly, I have had a lot of time to think about the school and where we stand in the present and how we can make things better for the future. I will be meeting with my team and boards to discuss some of the ideas that came to mind during my hiatus. I can promise you this, we are moving in the right direction and GECHS is going to be better than ever!

Welcome Class of 2026!

If this does not get you pumped up, then nothing will! 32 8th graders received their acceptance letters on January 27th. Chancellor Carter is excited about this new class saying, " I believe they have the potential to take the torch and go even higher than we have ever been." We had over 60 applications and went through over 50 interviews to get to these 32 new Collegiate Lions!

January's PRIDE! Meeting:

We had three female engineers and project managers come discuss architecture and engineering concepts with our students. At the end of the presentation, our students participated in a bridge competition! The center photo are the winners, an all girl group, who received Adidas Backpacks and Water Bottles. We decided to keep with our “Women in Engineering” theme and not post the boys but they did participate too.

2nd Nine Weeks House Competition Winners!

1st Place: Empowerers! (1,603 points)

2nd Place: Succeeders! (1,561 points)

3rd Place: Leaders! (1,321 points)

4th Place: Achievers! (1,314 points)
