

Greenville ECHS

Collegiate Lions Monthly!

February 2022

Lead. Achieve. Succeed. Empower!

Chancellor Address: A Vision We Love!

Over the next few weeks, I will be collecting thoughts and opinions on the vision for GECHS. The reason for this is because a lot has changed since we first started this program in 2018. We are no longer the program we were back then and it is time to rethink our vision. We have more knowledge and a better understanding of what this P-TECH should look like. The question now is, "what are we striving for our school to become?"

Sophomores Visit the Holocaust Museum!

Early College sophomores visit the Dallas Holocaust and Human Rights Museum in Dallas. They have been studying the book "Night" by Elie Wiesel and the trip added a new dimension to their understanding.

February' s PRIDE! Meeting:

Trent LooMis, an architect, came and spoke with the students at this month's PRIDE! Meeting. He went through some of his favorite buildings around the world and allowed collegiate lions to explore a new path that their engineering associate's degree could take them. One of our House games this month was tug-a-war which was won by the House of Leaders!

Updates and Reminders!

- ★ Parent Advisory Board Meeting on February 22nd
- ★ GHS Track Meet on February 24th
- ★ Leadership Team Meeting on March 1st
